Description

"Cloisonné" is derived from the French word "cloisonner" which means 'to partition.' Our zinc alloy imitation cloisonné pins are inspired by this upscale way of pin-making which partitions colors with precision. Zinc alloy is the perfect metal base for designs requiring cut-outs and a larger surface area. From our most popular nickel, copper, and brass plating, to platings with an antique or matte finish, sandy, smooth, or waffled backing, gold butterfly clutch or a magnet accessory, we hav

Additional Information
