## Description

---

Soft enamel zinc alloy lapel pins have a textured look and feel because the outline of your design is raised and the colors recessed. Zinc alloy is the premier metal base for pins requiring detailed, cut-out designs with a larger surface area. We use Pantone's entire PMS system to ensure that you have the best color choices and colors are available with your order. From standard nickel to matte gold to antique copper plating; sandy, smooth, to waffled backing; standard gold butterfly clut
