Description

Promote your brand with the high definition look of this jacquard woven scarf. These tightly woven scarves are made using tightly woven state-of-the-art jacquard looms. Take your logo into winter territory with up to 8 colors for one sided printing and three colors on each side for a double-sided weave. It's made using 100% acrylic yarn and is an excellent wearable solution for wintertime advertising that you can count on. 8" W x 55" H
