Description

These masks are perfect for civilian use and can be used for grocery shopping, a day at the playground, as well as going to the office and daily commutes. The face mask consists of high-quality nonwovens and comes with comfort, softness, and excellent breathability. Adjustable nosewire, it fits any face shape perfectly. The 3 layers of splash proof filters protect you from viruses, dust, ash, pollen, fine dust, and car exhaust fumes and thus effectively protect your lungs. Complies with Prop 65. 6.5" W x 3.75" H x 0.0" D
