Description

Custom Forming operations can provide you with a means of replicating a logo that is not provided in standard library of symbols. Whether it is 1 set or 1 thousand, can provide a cost-effective solution for your custom requirements. Made from renewable resource CAB plastic is a non-petroleum plastic & completely recyclable. Formed letters are durable & weather resistant. Extra depth is available. Single formed pieces range up to 48"x72". Includes #2 mounting hardware. 22" H x 14" W
