Description

Peacock Recycling Poster: Animal Program

Program: Beautiful animal images are used to promote messages to help our environment and theirs! Include more of this theme in your program package. Posters, magnets, handouts, and loads of other items available to give others the incentive to ACT!

- -

This poster, like all of our poster designs, is highly customizable. We can customize poster size, poster medium, language, branding, finishing such as lamination or framing and do completely custom designs. We encourage you to call us TOLL-FREE (800-875-1725) or e-mail us (info@awarenessideas.com) to discuss your needs.

Poster Size: Our standard poster size is 12"" x 18"". We can also print your posters on 18"" X 24"", 24"" x 36"", 8.5"" x 11"" and completely custom sizes. Call us or email us for a quote on specialty sizes.

Poster Medium: Our standard 12"" x 18"" posters are printed on white Recycled Paper. We can also print on other thicknesses and colors of paper, vinyl decals, paper decals, signs, vinyl banners and a variety of other materials. Inquire about custom quotes of poster designs on these and other materials.

Branding: We can add your logo or a saying to most any design. These same branded imprints can be used on a number of our products including posters, decals, handouts, signs, banners and more. With posters, we can print your logo in four color process. If you don't have a suitable logo, our design team can design a logo or other graphics to suit your needs. Setup charges do apply.

Custom Languages: Most of our posters are printed by default in English. However, we can also print them in

another language or a combination of languages. These languages include French, Spanish, German, Italian, Russian and a number of asian and middle eastern written languages. You will be asked for proper translations at the time of printing and setup costs do apply.

Lamination: While our posters are a quality cover stock which can be used as-is for indoor use (and most of our clients do so), we offer lamination on posters of all sizes if you'd like to further finish your posters. Ask us for a quote on lamination if desired.

Framing: We offer both black and silver snap frames in all of our standard poster sizes. Custom frame colors and custom frame sizes are available. Please ask for a quote.

Completely Custom Designs: If you have a message you need to get across and we don't have a stock design to fill the need, we will custom create posters and other items to fill your need. These can be as simple as modifying a stock design with differnet colors or arrangement or starting from scratch on a new design to your specification. Call us to discuss ideas.

Other Poster Themes: Looking for other poster themes? We design and print posters in other subjects as well.
