Description

With the All-New Fort Knox 2.0, we took our best-selling anti-theft design backpack and added more premium features. Including an RFID Pocket, reinforced hardshell casing & backing for better rigidity and durability, a built-in/retractable water bottle holder, zipper pockets on each shoulder strap, an upgraded premium interior liner, and a built-in trolley strap. Showcase your logo via up to full-color transfer or lasered patch. Each packed individually in a resealable retail bag. Complies with Prop 65. 18" H x 14" W x 6" D
