Description

The Leo Qi is a compact and portable wireless charging stand for your Qi-enabled mobile device. It comes with a collapsible base that allows it to function as a charging pad or a charging stand. And when phone is fully charged, simply stand the phone up to avoid over charging. The Leo is full-color print ready and an affordable marketing solution to showcase your company's brand! Complies with Prop 65. 3 3/4" L x 2 3/4" W
