Description

Kentwool socks are crafted with ultra-soft Merino wool. With temperature-regulating and moisture-wicking properties, our socks provide you with support and comfort all year long. Made in the U.S.A. The order minimum is 60 pairs, there is no minimum per style or color and they can be mixed and matched, (to meet the minimum of 60 pairs). Imprint Method is called Digistich. It is a digital embroidery patch that is heat pressed on the sock.
