Description

A counter mat is precisely what its name implies, a mat found on a display, checkout, or service counter. Only it doesn't just sit there. It delivers precisely targeted advertising images. Images imprinted by high resolution offset lithography. Images of your products seen by thousands and thousands of consumers everyday. The fabric material provides a soft textured surface, while also providing strong and durable heavy duty backing to the counter mat. Complies with Prop 65. 12" W x 18" L x 1/16" Thick
