Description

The Elevate Soleil Backpack w/ 10,000 mAh Power Bank is more than a name - it's an idea, one that shapes our thinking and inspires our design. The Soleil Backpack features a 5W solar panel that allows you to charge your devices while you're enjoying the outdoors. The cord pass through allow you to charge your 10000 mAh power bank which is included through the solar panel to ensure you have all the power you need. A USB port and cable are also included, as well as hidden front straps that you can. Complies with Prop 65. 20" H x 13" W x 8" L
