Description

Andiamo Pantera spinner case is constructed from high tech Makrolon polycarbonate and is four times stronger than regular hard shell cases and the 8-wheel spinner system provides maximum mobility. Inside features include a large main compartment with compression straps, a zippered mesh compartment and two hanging zippered mesh pockets. The hard shell fully-lined zippered front compartment provides easy access to your essentials without having to open the case. There is a durable carbon fiber ha. Complies with Prop 65. 20" W x 28" H x 12" D
