Description

Double wall vacuum insulated tumbler keeps cocktails at the perfect temperature. Made of high-grade 18/8 stainless steel with a sweat-proof design. Lid is made from BPA-free Eastman Tritan(TM) copolyester. Base of tumbler features nonslip grip for extra stability. Passivated interior protects against corrosion. Product does not retain odors or flavors. Lid is dishwasher safe (top rack), hand wash body recommended. BPA free. Keeps cold for 24 hours. 14 oz. capacity. Complies with Prop 65. 2.5" W x 7.25" H x 2.5" L
