Description

The power of point of purchase displays is increased with the use of custom shape Microfoil balloons. They add color and motion to any display to boost brand recognition and increase sales without the loss of floor space. Made in the USA. Normal minimum for Custom Die Shapes: 5,000 balloons per shape, per design. Normal minimum for existing Die Shapes: 2,500 balloons per shape, per design. Contact Customer Service for more information. Complies with CPSIA, Prop 65.
