Description

Inflatable tents create a great venue for branding as well as providing a unique portable shelter. Event tents are portable, sturdy, and free of any hardware. Inflatable tents do not require continuous air supply. You simply inflate legs once and it is ready to go in a few minutes. They are packaged in one easy-to-handle carrying case, convenient for storage. Price includes tent frame, storage bag, polyester canopy, 4 metal ground stakes, and repair kit for inflatable legs. Complies with Prop 65. 18' W x 18' L x 11' H
