## Description

---

Mobile marketing made easy with these lightweight backpack promotional flags. They're ideal for trade shows, high-traffic events, sporting events, vendor signage, or sidewalk advertising. They can be used both indoors or outdoors and assemble in minutes with no additional tools required. Price includes single reversed flag, ergonomically designed harness with padded back and adjustable straps, and universal pole set in backpack compartment that can be used with all three of our flag shapes. Complies with Prop 65. 16.5" W x 31" H
