Description

For use with helium-filled 18" round, heart, square Microfoil, and 20" star Microfoil balloons. The tape tab is applied to the neck of the Microfoil balloon. The clip comes with 4 ft. white ribbon attached to the tape tab, and the clip allows you to attach balloons to almost anything. One Clip-N-Spool can hold down one 18" or 20" Microfoil balloon. Complies with CPSIA, Prop 65.
