Description

This is a durable spring loaded colored plastic magnetic clip. It features ribbed plastic 'teeth' for a superior hold and durable rubber grip. There's an extra strong magnet on the back. It's ideal for notes, documents or even to seal food bags. Depending on the surface with which these items will be used, it may affect the strength of the magnets and/or its capacity to hold. Complies with Prop 65. 1.25" W x 1.75" H x 3.5" D
