Description

This shirt features an ultra-light, second skin fit. It's lightweight, field-tested HeatGear® fabric delivers soft, but sturdy next-to-skin comfort. Features 4-way stretch construction improves mobility and accelerates dry time, while maintaining shape. Our signature Moisture Transport System keeps you cool, dry and light on your feet. Anti-odor technology prevents odor-causing microbes-keeping your gear fresher, longer. Ergonomic seam placement reduces irritation and chafing. Complies with Prop 65.
