Description

The New Dimension® shirts combine aggressive styling with performance features such as stretch poplin and twill fabrics and silicone permanent creases. Added length to sides helps to keep shirts tucked. Due to the poly-cotton fabric blend, these shirts not only perform all year, but are extremely comfortable and easy to maintain. Stretch Poplin, 65% Polyester, 35% Cotton. Features moisture management, soft hand and permanent soil release. Complies with Prop 65.
