## Description

Looking for a unique, yet still functional gift for your valued employees? Our Spiral Clock features an uncommon design with playful spirals of silver metal that are able to extend and retract. This collapsible design and the alarm feature make it ideal for both desk use and travel. This piece can be displayed a number of ways to allow for ideal visibility. The design alone gives you an eye-catching way to promote your company, product or event! Complies with Prop 65. 2.375" W x 6.5" H x 2.375" D
