Description

An inventive and creative way to promote your business! Part schedule magnet and part car sign, it measures approximately 0.030 in total thickness and functions as 2 magnets in one. The total magnet size is 5 1/5 x 11 1/2. Simply tear off the 5 1/2 x 6 schedule on the left for attachment to a fridge and punch out the 5 x 5 square car sign on the right to display on a vehicle. Remove weekly for surface cleaning will be automatically added to every car sign. Great for building brand recognition! Complies with Prop 65. 5.5" W x 11.5" H x 0.0" D
