Description

At a "fork" in the marketing road? Then don't forget to add utensils when ordering your plates and cups! Made in America and BPA free, these pieces of plastic silverware are must-have accessories for any celebratory event. Features classic white coloring, a 4-pronged design and measurement of 5.75" in length. Whether at a corporate picnic or baby shower having a smorgasbord of forks at your disposal comes in quite handy! 5.75" L
