## Description

---

Our standard decals print 4/C process on white, clear or metallic backgrounds with a high gloss lamination. Essential to organization and security, these badge reels are ideal for use at hospitals, clinics, public events and in large companies. Perfect for holding passes and employee ID cards. We use the highest standard stainless steel spring quality and durable materials for our badge reels. Pre-Production fee applies. Complies with Prop 65. 1.25" Diameter
