Description

Sometimes, life can get pretty painful. Soothe your aches with our Gel Bead Hot/Cold Pack. Used as a hot or cold compress, this pack has a large imprint area and comes in a variety of fun colors. Distinctive design and easy to use, this reusable item moves from freezer to microwave seamlessly, based on your pain needs. Our Aqua Beads are filled with a non-toxic, pliable blend of water and glycerin. Instructions for use are printed on the back of each item. Complies with FDA, Prop 65. 7.5" W x 4" H
