Description

Feel at home no matter where you are with our House Gelbead Hot/Cold Pack. Help soothe aches and pains with this aesthetically pleasing pack. Filled with vibrant color gel beads, our packs can be used as both a hot and cold compress. Easy to use, this item moves seamlessly from freezer to microwave and can be used again and again. Our TekBeads are filled with a non-toxic, pliable blend of water and glycerin. Instructions for use are printed on the back of each item. Complies with FDA, Prop 65. 4.5" W x 4.5" H
