Description

No need to "block-out" the memory of an unsuccessful promotional campaign! By adding your custom imprint via full color process to both of these UV400 tinted lenses, you've got a perfect giveaway for beach-themed events and charity fundraisers! Both of the lenses contain small holes so that the wearer can see through the imprint. They're fitting additions to hotel gift shops. Offers UVA & UVB protection. Complies with CPSIA, FDA, Prop 65.
