## Description

---

Folded post cards are a timeless and effective medium for advertising, marketing, and promotions and make a great direct mail (or bulk mail) marketing piece on a tight budget. Folded postcards allow companies, organizations, individuals, and nonprofit organizations to get their message across in a one-page document that is compact, easy to follow, and neatly packaged. Complies with Prop 65. 10.875" W x 17.5" H
