## Description

---

Natural jute drawstring pouch with clear vinyl mid section material allowing to view contents and provide great imprint area. If you are looking for something rustic or eco friendly. Jute is the perfect option. Jute is a long, soft, vegetable fiber that is spun into coarse, strong threads. Rustic characteristic of the fabric can be expected such as split ends, frays, inconsistent loop sizing, That's the beauty of the material! 5" W x 8" H
