Description

It'll be a clean sweep of all competitors with your brand name imprinted on this item! Our handy Microfiber Cleaning Cloth can be used to clean smooth surfaces, making it ideal for eyeglasses, computer screens, and mobile devices. Plus, it comes in its own plastic case. This is an excellent way to promote electronic stores or eyeglass repair services. May be customized with a pad print imprint. Product Material: PS (Body). Complies with Prop 65.
