Description

Latch on to a promotional product that's perfect for your next marketing campaign! Our 8 mm carabiner is a multi-purpose clip that attaches to just about anything. A great substitute for any standard keychain, this aluminum carabiner features a steel key ring attachment and comes in vibrant colors. NOTE: not used for climbing. Just customize with your choice of pad print or silkscreen imprint. Product Material: PS (Body); Steel (Keychain). Complies with Prop 65.
