Description

The Coyote Popup 10' inline display system is lightweight and fully magnetic, making it simple to assemble and disassemble and attach the UV Printed PVC graphic panels. Coyote Popup displays are portable, versatile, durable and easy. They fit perfectly into a 10'x10' booth space. Kit includes aluminum frame, 4 front graphic panels and 2 end cap panels or full fabric panels, 2 120 watt floodlights, magnetic channel bars, and molded plastic case. Complies with ISO 14001, ISO 9001. 116.4" L x 87.56" H x 35" D
