Description

The Epsilon 10ft x 20ft inline Orbital Express Truss exhibit is a striking "off-the-shelf" kit that comes complete with the parts, fixtures and fittings to create a successful exhibit. The straight backwall gently curves around on the right hand side to create a semi-private conversation area, while a rounded projecting header ensures your branding will be seen. The backwall is illuminated by four low voltage spotlights that illuminate the exhibit. Complies with ISO 14001, ISO 9001. 240" W x 96" H x 120" D
