## Description

---

Custom Shape, Thickness: 3mm. Second side NOT included. REALISM, FARO's innovative decorating technique offers a unique alternative to the usual gold, silver or bronze finishes. Elevate your brand by delivering a clear message of what your organization represents by using Realism on any of your FARO custom metal creations. Replicate the appearance of wood grain, cobblestone, brick or other textures that best represent your Brand, Products, Services or Special Event. Complies with Prop 65.
