Description

Lightweight cotton tote that features a unique Tyvek(R) material accent. About Tyvek(R): Lightweight & flexible, looks like paper but is so much stronger, resists punctures, tears and abrasion, and is made of high-density polyethylene fibres (HDPE), Tyvek(R) is 100% recyclable just like plastic bottles. 11" shoulder straps. DuPont(TM) and Tyvek(R) are trademarks or registered trademarks of affiliates of DuPont de Nemours, Inc. to 40". Complies with Prop 65. 14.25" H x 12.5" L
