Description

Soft PU leatherette phone wallet with built-in metal ring holder and phone stand. The ring rotates 360 degrees so you can find the perfect holding or standing angle. The wallet holds up to 2 rigid cards - credit cards, transit cards, driver's license, business cards or hotel key cards. Along with some cash. Self-adhesive backing is removable and leaves no residue. A pre-inserted instruction card is included in the price. 2 1/2" W x 3 5/8" H
