Description

2500 mAh lithium polymer ultra-slim and flat power bank charger for recharging your mobile cell phone battery. The flat design is great for large and colorful imprints and isn't bulky if slipped into pant or skirt pockets. Micro USB charging cable included, but requires your own charging cable to connect to your cell phone. Instructions included. 5V output/1 Amp. Not recommended for use with Tablets. Available with a spot color or full color PhotoImage® imprint. 3 1/2" W x 2 7/16" H
